### **PRESIDENT'S MESSAGE**

Hello folks.

I realize it has been some time since our last newsletter. Please forgive us, as we don't always have enough hands to do all the jobs.

Our new year has gotten off to a great start as we have had several well-attended activities. We began back in the winter with game nights as a way for people to just come out and socialize and visit with activities for the young and old. Both were well attended, and all seemed to enjoy the evenings. Many thanks to Janet and Gary White and Glen Repass for preparing the food and treats for everyone's enjoyment and all others who helped make these fun evenings.

Our May Day event was as well attended as ever. The early rains did not seem to dampen anyone's spirit. We had quite a few flea market folks and demonstrators. Thanks to Cody and Frankie Gray and Jimmy Pauley for their "antique" corn grinding demonstration. Many thanks to everyone in the CAA for helping put this on and making it the success that it was.

We want to thank everyone who contributed extra money and attended the Bill Cregar scholarship fundraiser. This year we gave two \$500.00 scholarships. One was awarded to Emily Hill and the other one went to Jordan Faulkner. Congratulations to both deserving students. As is our practice, the applications were reviewed by persons from three different counties who made the decision on the co-awards. Hopefully in the future, with everyone's help, we will be able to increase this amount as we all know college tuition and books are continually increasing.

Once again, thanks to everyone who helped with our latest chicken BBQ. Our attendance was down some, but we realize this was graduation weekend and other local activities were taking place. If you haven't attended our recent events, we have purchased a bouncy house for the young children. This appears to be a huge hit with kids, and we hope our community's young parents will feel more at ease attending our events as the kids seem to have a blast with it.

Before I close, I must mention the huge generosity of our small community. As you all know, the CAA does not do fundraisers for individual folks with varying needs as we are a non-profit organization. What we try to do is to provide the building and setting for such needs and all we ask is that, if possible, make a donation for the continued upkeep of the building. This past winter, the Ceres Fire Department and Melissa Renninger asked to use your facilities to put on a fundraiser for two individuals who needed your financial help with large medical expenses. These two fundraisers grossed over \$5,000.00. They were done within a two week period. WOW! Does this alone speak volumes about the community and county we live in? Many thanks to all of you who put these events on and a VERY special thanks to ALL of you who were so generous with your financial contributions. While I find myself constantly asking everyone for their financial help, because of you we have a facility worthy of handling such events. Many thanks to all of you for your continued support.

Please look at our calendar for upcoming events, and we all hope to see you there.

Yours truly,

*G. H. Peery III*, President

## **2016 HOMECOMING**

The Ceres Alumni Association sponsored its 17th annual Ceres Homecoming on October 21, 2017. The weather was perfect and the turning leaves added to the beauty of the valley. Approximately 140 attended. After the opportunity to visit the Museum and school building (thanks to the Ceres Ruritan Club) guests gathered in the gym, beautifully decorated by Becky Kimberlin and her helpers. The theme for the day was EARLY SCHOOLS and was carried out in the table decorations. Thanks...great job.

### **Program**

G. H. Peery, III, President, welcomed the guests. Michael Pruett and his exercise class provided an impressive Jujitsu demonstration. Following the blessing by Rev. C. Ray Davis, a delicious and bountiful meal, catered by the Berea Christian Church Ladies, was served.

Following the meal, Archie Atwell led the annual "Rose of Remembrance" segment of the program. Thirty-eight (38) members, family and local citizens whose deaths were reported to the Association since the last Homecoming were remembered with a long stem rose presented to family members who were present. Those remembered were: Myra Moler, Lace M. Asbury, III, Norma Cassell Kidd, Ann Cregger, George Keck, Terry "Tubby" Dillow, Tonnie Carver, Richard K. Webb, Eleanor P. Dillow, Richard G. Havens, Garland Dillow, T. Cicero Havens, Stephen Howard Newberry, Nancy C. Tate, Nan Thompson Vencille, Thurman "Dwight" Cox, Elbert "Butch" King, Hope Umbarger Pennington, David C. Hubble, William H. "Bill" Spence, W. Thornton Umbarger, Mary Dillow Ingram, June Durham Sands, Bill Gillespie, Curtis Stowers, Roger Morehead, Donald "Kay" Kitts, Harry Shupe, Andrew Dillow, Jr, Donna Houck Compton, Michael Eugene Woolwine, Harry Lee Smith, and Kathy Head.

This was followed by a moment of silent remembrance and reflection.

### **Speaker**

Doris Stowers Sink, whose Mother grew up in Ceres, then gave a most interesting talk on Early Schools. Mrs. Sink, a former Bland County Teacher, has done a great deal of research on early Bland County Schools and had a very impressive display to share. Over the years we have gone from having a school in almost every little community to having one elementary and one high school in the county. Thank you Doris. We certainly enjoyed your talk. Please come again.

### **Business Meeting**

During the business meeting, minutes of the last Board meeting, Treasurer's report, Museum report and current membership list, as presented in the program, were approved.

#### **TRIBUTE TO ROBERT I. "BUDDIE" WADDLE**

The Ceres Alumni Association and the entire communities of Ceres and Bland were saddened by the news of Buddie's death on February 8<sup>th</sup> (one day after his 84<sup>th</sup> birthday). Buddie was loved and respected by all who knew him. Buddie, who was graduated from Ceres High in 1952, and his wife, Lorraine, were very instrumental in helping organize the 1999 all class CHS Reunion, were charter CAA members, and Buddie served as an outstanding Treasurer of the Association for approximately 14 years. No one could have done a better job. If a task was needed, give it to Buddie and Lorree for outstanding completion.

This is a quote from the President's Message in a newsletter last year. I could not say it better and feel it bears repeating. *"As many of you know, Buddie Waddle has had some health issues this past year, and he and Lorree have felt it necessary to resign as officers of the CAA. We are very sad to see them go but certainly understand, considering Buddie's health. They will remain as active as Buddie's health permits. The CAA will always be in their debt for their many years of service to the organization. Without their help much of what you see would not have been possible. Their ability to help secure and manage funds and grants from different agencies and other routes for funding have made your buildings what they are today. We all wish them well for the future and send our many thanks for all their help."* G. H. Peery, III

We miss Buddie every day and always will. Thank you, Buddie, for being a wonderful friend.

Buddie had a favorite Bible verse around which he lived his life: *This is the day the Lord has made; let us rejoice and be glad in it. Psalms 118:24*

#### **APPRECIATION**

Thanks to Helen Keck for furnishing the hamburger and Tommy Dunn for potato salad for the Cregar Scholarship Cookout, to Melissa Renninger for all the deviled eggs for the Chicken BBQ and Janet and Gary White for the wonderful idea and providing ice cream for Ceres Day. A special thanks to all who work so hard to make all our events possible. Glen Repass, you certainly are a man-of-many talents! Again, thanks!

#### **GRANT PROVIDES HEALTHIER CITIZENS**

We reported in the last newsletter that we hoped to make the Fitness Center more handicap accessible. It has happened. We wish you could see the beautiful concrete walk going down to the Center. Just last week, the new door to the Center came in which will complete the job. Thanks to the Wythe-Bland Foundation for helping make it possible for EVERYONE who needs use of the equipment to be able to safely get there.

## **2017 CERES DAY**

The light rain that we received on May 6<sup>th</sup> did not dampen the spirit of those participating in Ceres Day. The day started with a breakfast of sausage and ham biscuits and gravy which brought many compliments to the cooks. The gym was full of crafters and flea market tables. There was something for everyone. We had health care information and health handouts; beautiful wreaths; hand painted rocks; clothing; kitchen appliances; pictures; lamps; a variety of sewing items; Historical Society books, plaques, and information; toys; sports items; knick-knacks, fresh eggs, dishes; pots & pans; and crafts.

The hit in the flea market section was Janet and Gary's ice cream booth with floats, ice cream in freshly made cones and banana splits, all with every kind of topping you could imagine.

Anne Britton reported the largest crowd ever in the Museum. A blacksmith was at work at the old forge. Many were heard to say, "We really need to come back and spend the entire day." Come on back. Just call 276.682.4587 for an appointment.

The rain interfered with some of the planned outdoor children's activities. I saw evidence of the pie eating contest but don't think the sack race took place on the wet ground.

Then the Ceres Ruritan Club provided a delicious old fashioned lunch of cornbread and beans in the school cafeteria. Hot dogs were available for the kids of all ages. The school building was open to allow walks down memory lanes (halls). Folks were heard telling their children, "This was my (?) grade classroom."

The outdoor activities that were not deterred by the rain included old tractors and farm equipment display, corn grinding demonstration and FFA wood sawing contest.

Everyone seemed to have a good time. Thanks to the Bland County Messenger staff, the event received a full page coverage in the May 10<sup>th</sup> paper. Also Elmer Beardshall took pictures and put them in the [www.ceresva.org](http://www.ceresva.org) website and the Ceres Alumni Association Facebook page. Look them up.
