Miles for Fallen Heroes

On March 27, 2010 the Paul Gundy family, along with the Run-N-Tri Company in Gulfport, MS, will host a 5K/1 mile Fun Run to raise money for the Special Operations Warrior Foundation.

The Special Operations Warrior Foundation seeks to provide a college education to every child who has lost a parent while serving in Army, Navy, Air Force and Marine Corps Special Operations during an operational or training mission.

Paul is currently serving in Afghanistan with Naval Mobile Construction Battalion 74 out of Gulfport, and as a father of two, he feels very strongly about this foundation. Paul, himself, ran the Marine Corps Marathon in Afghanistan and is even now training for a half Iron-Man triathlon.

We believe that we can raise \$7500 for this great cause, and we'd like your help. Your 100% tax deductible donation will be acknowledged on over 150 t-shirts that will be given to race participants. Thank you for considering partnering with us.

Thank you for your help!
Sincerely,
The Paul Gundy family

(Please make checks payable to *Annie Gundy* and return to the above address for the Run-N-Tri Company.)
