Missions in Motion is a fundraising event to benefit the Belize Vo-Tech School in Belmopan, Belize. The vision for the center is to minister to and raise up young Belizean men to make an impact in their community and country for the gospel. Young men are selected each year from applications. They stay for three years participating in academic and vocational studies. Many of the graduates are walking in the ways of the Lord and making a difference in Belize. The Belize Vo-Tech staff work as a team to insure the Belizean young men receive good academic instruction and quality vocational training. The Center is open year-round, with breaks between each session, and offers training in welding, mechanics, woodworking, agriculture training, computer training and animal science.
